

1. Apart from the company name it has everything:

<https://builtin.com/diversity-inclusion/diversity-in-the-workplace-statistics>

2. Shows avg pay and Gender diversity at workplaces in specific cities.

Scroll to the bottom and you'll find this demographic thingy, its extremely useful.

<https://www.analyticsinhr.com/blog/hr-reporting-hr-report-hr-dashboard/>

3. Women in India:

<https://analyticsindiamag.com/study-gender-diversity-in-analytics-2020/>

Conclusion: It is extremely tough to find the data for specific companies but otherwise there's plenty.
